A Celtic Christmas Blessing

God send us a happy Christmas!
His blessing be on our home.
His love be around our loved ones
wherever they may roam.

God send us a holy Christmas!
His name be on every mind
and close to the crib of Bethlehem
true happiness may we find.

God send us a peaceful Christmas!
May the sweetness of memories throug
where we sit at the festive table
and sing a soothing song.

God send us a merry Christmas
to us and all we love!
On our home may the babe of Bethlehem
smile down from his home above.

*Nollag Shona
Nollaig Chridheil*

The light of the Christmas star to you
the warmth of home and hearth to you
the cheer and good will of friends to you
the love of the Son and God's peace to you

Merry Christmas
