

## Shine Shine

*by Sara Wilson and Silvia Purdie*

### Note on the song

*Sara, age 6, wrote some words for a song, then we worked on these together. I think we have expressed the divine truth in her heart, and Sara's wonderful 'shiny' faith, love and beauty. This has become a favourite at our church, Milson Combined in Palmerston North. The verses are fun, and call for actions! The chorus is more lyrical and soft.*

You make turtles that paddle  
Shine your love – shine shine!  
You make penguins that waddle  
Shine your love – shine shine!

You make sheep so woolly  
Shine your love – shine shine!  
You make us wonderfully!  
Shine your love – shine shine!

**And I will pray upon a star  
for you love us as we are.  
I will shine my life for you  
for you died to show the way.**

Love is in your heart  
Shine your love – shine shine!  
We will play our part  
Shine your love – shine shine!

All the birds in the trees  
shine your love – shine shine!  
You set all the world free  
Shine your love – shine shine!

**And I will pray upon a star  
for you love us as we are.  
I will shine my life for you  
for you died to show the way.**
