

Be at home in my heart

Silvia Purdie

For my husband Chris, and dedicated to my wonderful daughters-in-law.

We met pretty early on life's funny journey
we've already walked a long way side by side.
I'm grateful each morning that you are here with me;
together we grow in the blessing of God.

**Be at home in my heart
you are welcome here with me.
Be at peace in my heart
I am home wherever you are.**

I'm sorry if sometimes I get in a muddle
and blame you, ignore you or push you away.
My heart is not broken, takes trust to be open;
together we grow in the mercy of God.

So bring me your wounds and your fears and frustrations
and I will inspect them and give them a kiss.
I'm not here to fix it but if you will risk it
together we grow in the healing of God.

**Be at home in my heart
you are welcome here with me.
Be at peace in my heart
I am home wherever you are.**

Bridge

I name you as lovely.
I claim you as loved.
I name you as treasured.
I claim you as whole.

**Be at home in my heart
you are welcome here with me.
Be at peace in my heart
I am home wherever you are.**

Yes love is the swimming pool that we dive into
 and love is the everyday water we drink,
 for love is belonging and love is adventure;
 together we grow in the goodness of God;
 together we grow in the goodness of God.
