

Outrageous love

Written by Silvia Purdie

Outrageous love, generous grace!
There is no place too far,
 no need to fear,
in freedom's open space.
The Father's arms are open wide
to catch us when we fall,
and turn to him, with nowhere
 left to hide.

Spirit, good Spirit
Hold us in your love
Jesus, Lord Jesus
Hold us in your love

So come on in, come on home.
Here is your family who long for you,
where you are safe and known.
There's nothing less and nothing more
than knowing you are welcome,
 you are whole.
What are you waiting for?
